Remember that it is a looked up and ask d why he had done so. p'essure for Mr. Harris to show you be go d. whether you leave an order or not

Ayer's Agas Cure, when used seconding to directions, is warranted to grad ca e from the system all malarial diseases, such as Feyer and Ague. Chill Fever, In ermittent, Remittent and Billious Fevers, and disorders of the fiver. Try it. The experiment will cost you nothing if a cure is not effected.

For the benefit of ranchers who brin with them their dogs while visiting the metroposis, we will state that it has re cently been decided that country dogare to be allowed the "freedom of t e city" for 24 hours, after that they become citiz as.

The Rev. Calfee returned last evening from a trip into the southern part of the Territory While at Tombetone he had a valuable hors worth \$20 stolen and run off in a Mexico He, however, knows the thief, and will bring him to terms sooner or later. The Rev. ger tleman has had bad tuck with horses late y having lost a fine one at Grobe not long since. Herald.

James Stockdale, a well known prospector and sporting man, died at two o'clock this afternoon from the effects of the continued use of morphine and probably an over do-e of the dangerous drug. He has been il for a long time from the excessive use of morphia and for the past few weeks was quite feeble. He walked into the Fashion saloon shortly after poon to day and sat down in a chair. He was shortly afterwards noticed to be gasping for breath and slight nervous spasms were observed. His pulse was Suttering feebly, and no time was last in securing the services of a physician. He was past all assistance, however, and died an hour after being taken to his room at the Cosmepolitan hotel.-Citizen.

The Filver King.

The Chicago Herald states that the Silver King mine of this territory has turned out to be a maenificat property and of great profit to the stockholders A large portion of the stock was so d in Washington to '79 and '80. Colon t R ckvell, of the chum cabinet was an intimate triend of B rney's, and the ugi him and Sasini more people bou ht the stock. Guffeld hims If took 1,000 shar and drew a divident of \$250. D H. M. Neit, one of our preminen business men, and one of the most quat and sedate men in town, was observed toing a double song and clauce in his sore this morning, by our reporter, and atween the pigron wings he was cutting, the reporter learned that Mrs. McNet, had presented him with a hand some daughter at about 12 o'e ock cast night. The mother and child are getting al mg nicely.

Or Wednesday evening 1 at the citi zens committee appointed Frank Ryan a committee of one to sprinkle the streets before the parade on Saturday, which my he cheerfully accepted, but as ne is very delicate and does not weigh but 800 pounds the clerk of the weather took pi y on him and has turned the cloudthose every day and evening, since sprink ing the streets thoroughly, in order to re eve Frank of the duty.

The London papers continue to be full of aggravated cases of sexual vi c and crime. The other day a prominent doctor was committed for trial for assaulting a female patient only thirteen years old. At Leghorn a pricet se been arrested for carrying on the busineas of procuration under the guise of charity. He hired a building and had it open with religious ceremonies as a home for young orphas girls. He then scoured the streets of the city for female children whom he brought to the orphanage, promising them food, clothing and shelter until he could provide them with permanent homes or altuations. From time to time the prettiest girls were sont to places remote from Leghorn, ostensibly to enter the service of some wealthy family as nursemaids and procurers in other cities,

Commun.ca.ed.

EDITOR TOMBETONE .- As I have an oppor tunity to send you a few items of news I will take adventage of it. I sent you a letter the other day from the custom house which I hoped you received. We a rived here the day we left the cu-tom house (have last truck of da -s) that night the In than By our corps of lively report came onto the river at the place where we were stooping and sto'e 29 head of hurses; 2) head from Francisco Maurreas and 9 head from Mr. Miller. They also killed a beef within half a mile of the house I heard the shors about daylight, and remarked to Joe Poynto, that they were Indians. A party was immediately formed and started after them, but returned last night. They report at the Into fis num er 15 men and that they made for the fireed in o' Bicarchi, and that after traveling about 20 miles they sail t ar, into two parties one party coming back s the river and were seen the same evening bree of Miller's horses got away from the ndians and come book. The Indiana killed nine mares of Manervess and one horse d Maler's on the truth as they were go fet u sulng party was pres-ing them so close Everything here is at a sand-till, as Indishe are rouming about everywhere. W. se both well, and were it not for being nearly secred to death by Indians we would in a few deys. Yours truly. FRED STREEPER,

Case de Anth, Aug 18:5.

To morrow being a legal he'idey, and the printers and publisher of this office vere as fine as any we have ever tasted, and being desirous of participating in the how conclusively that fruits of all kinds tureral absencies of the late General an be grown in this section, and grapes es- Grant, there will be no paper issued

Orange Plassoms.

This evening at 8 o'clock, at the fature residence of the happy couple. Thomas Lawry will lead to the nitur Miss Grace Conligha .. Judge Peel will tie the nuptial knot. Mr Lawry is an o'd and respected citizen of this city having been employed in the Toughnut mine for the past four and a half years, and his friends are legion.

Miss Carnighan has been a resident of this city for the past year or more and has made many friends by her quiet and lady-like manners, and we can trutufully say that in her future hasband she will find a man of worth, and one who is honored by his fellow citizens, and was will make her a kind and a dulgent hugband, and as for Tom he might have travelled through many climes before he would have found a more fairer and accomplished bride than he will flud in Miss Carnighan.

Mr. Lawry has furnished a house on the orner of Inird and Fruce streets, where the happy coulde will be "at home" to their numerous friends after to-day.

THE TOMESTONE received a bountiful supdy of cake, wine and eigars to day, and the whole force drank the health of the happy couple, and hoped that in their marriage journey that their only troubles in life might be " little ones."

Resolutions of Respect'

At the meeting of the citizens about ten div- ago, there was a committee appointed to draft resolutions in respect to the memory of the late Gen. U. S. Grant, and it was resolved that a copy of said resolutions be forward d to the relatives of the deceased. the committee have concluded their labors and below we publish the resolutions they have drawn up:

Your committee upon whom was imposed the ead task of presenting a memorial of General U.S. Grant, most respectfully re-

that sithough the death of General Grant and long expected, the event is no less deplered, and we meet now to share with our mourn ng countrymen in the sense of loss. meet most at their ledge room, Saturday of one whose career was so notable, so honorable to himself, and so useful to the Amercan people.

> He was among the greatest soldiers the world ever produced, and beyond all others he was cost fitted to cope with the tremendone crisis which made him-and when the grave closes over all that is mortal of Ulyses s. Grant, it will be felt that he leaves behind him no man cust in a simpler, sincere, or more herole motd.

> By his labors and those of the brave men he led, the Union was restored; and six miltions of free men celebrate the blessing of tiberty secured for them and their posterity-Tenscious in conflict, he was magnanise, ous in victory and the beneficent results of

his generous des ings with his venoushed fees, and their grateful appreciation, comfor ea him in the face of death. Therefore be it Resolved: That we consider that America has last her greatest hero-and humanity a

true friend. Resolved; That we give to the bereaved family of General Grant our heart felt sym-B. L. Peel, Chairman. pathy. C. E. Alvord, Wm. D. Moumonier, Frank C. Prescott, William Herring, Committee.

Charles G. Johnston, Attorney at Law and Notary Public, has established a law office in Bisbee; will attend to business to both in the Territory. All communication with Mr. Johnston will be addressed to Charleston, Cochise Co., Arizona. aug2-1w

To morrow will be the greatest day in ever been berg before.
